

## Mentorship and Student Supervision Record

I served as the primary mentor for the following students, where I was independently responsible for project conceptualization, technical training, and guiding the final deliverables (theses, posters, or oral presentations). It includes 4 students from my two FRQS Mentorship Grants, 3 members of the Dawson Neuroscience Research Group, 2 independent research volunteers and 3 members are from international collaborative university.

Student Name	Period	Institution & Program	Outcomes & Achievements
Kylie Xu	2023–24	U. Montréal (Medicine)	<b>Winner, Best Presentation Award</b> (CHUSJ 2023); Poster at Acfas 2024.
Hanna Ton That	2024	U. Waterloo (Mechatronics)	<b>Oral Presentation</b> at CHUSJ Summer Research Conference 2024.
Sara Hernandez	2023	U. Waterloo (Biomedical Eng)	<b>Winner, Best Internship Student Award</b> (Dawson College).
Josephine Emadoye	2024	McGill U. (Kinesiology)	Awarded Internship scholarship from FRQS; Poster presentation at <b>Acfas 2025</b> .
Hoi Ching Wat	2025–26	McGill U. (Biomedical Eng)	Poster at McGill.
Keiara Baker	2025	McGill U. (Biomedical Eng)	Poster at McGill.
Feodor Gornostayev	2025	Dawson College (Math)	Poster presentation at Dawson Research Day.
Yujie Dong	2026	Xi'an Univ. of Tech (SE)	Lead for international remote computational pipeline project.
Yuxin Lei	2026	Xi'an Univ. of Tech (CS)	Lead for international remote computational pipeline project.
Jingjing Tian	2026	Xi'an Univ. of Tech (SE)	Lead for international remote computational pipeline project.
(2 Interns)	2026	Dawson College (Science)	<b>Lead Mentor</b> for the 2026 computational research cohort.
